

Medium weight tarpaulins

In addition to traditional rented tarpaulins and tarpaulins for sale, NSS Sweden also offer a medium weight tarpaulin for sale. These tarpaulins have high quality.

The fabric is 3-4 times stronger than those generally on sale these days.

Medium weight tarpaulins are available in several sizes: 3x5, 4x6, 6x8, 7x5, 7x10, 10x12 and 10x20 m and they weigh 250 g/m². They are excellent for lighter service work by professionals and all temporary covering jobs for hobbyists, such as transport, boats, material coverage at home etc.
